Sir,

I have the honor to state that the Village Panchayet of Javagal in Arsikere Taluk was reconstituted in April 22, as published at Page 183 of Part I A. of the Mysore Gazette dated 25th May 1922, confining its limits to the Village of Javagal proper. The annual Jamabandi of this Panchayet is stated to be about Rs600/- and odd, and the collections are also good, since for the year 1920-21, out of a demand of Rs.1,111-14-3, including arrears, a sum of Rs.1,000-6-3, was collected leaving a balance of only Rs.111-8-0 in arrears. This is a place where a big Shandy is held and a Native Vydyasala is also given to this place. Nearby is a road side hamlet called Hosakoppal, containing 20 tiled houses 16 thatched houses and 23 vacant sites with a population of 156. On account of its proximity to Javagal which has now become a flourishing Village Panchayet, it is desirable to include this hamlet also in the Village Panchayet of Javagal, and the increase therefrom is expected to be about Rs.70 per annum at present. The omission to bring it under the supervision of this Panchayet may result in its being neglected and the insanitary condition of this hamlet may prejudically affect the main village of Javagal. The Taluk Board of Arsikere has resolved on two occasions (19th August 21 and

13. Arsikere Taluk Board President's No. 807, dated 21st November 22, forwarding the Resolution of the Taluk Board in the matter of adding Hosakoppal a Majare village to the Village Panchayet of Javagal.

Resolution. This may be recommended.

Sd. N. S. Nanjundiah,

President.

"Extract".

President,
District Board, Hassan.

There are no provisions in the L.S. & V.P. Regn. 1918 corresponding to Section 13 of the Madras L.B. Act 1920, allowing abolition of Unions.

Perhaps the amendment to Sec. 48 of the L.S. & V.P. Regn. 1918 adopted since last is desirable. The abolition of the new Village Panchayets may however be left to the wishes of the inhabitants concerned.

Under Sec. 48 of the L.S. & V.P. Regn. Govt. may constitute a Village Panchayet for a village. Hosakoppal is stated to be a Majare village of Javaga HLV. Under Sec. 3 (5) of the L.S. & V.P. Regn. a "Village" has been defined to be a local area recognized by Govt as a village for purposes of collecting the Land Revenue. If Hosakoppal is included in the revenue village of Javagal, it must, as a matter of course, form part and parcel of the area over which the Javagal Panchayet has jurisdiction. If approved this aspect of the case may be pointed out to the President. CJB 22.2.23

Forwarded with compliments to the Government Advocate for favour of opinion

By order

for Revenue Secretary.

The definition of the term "village" as given in S. 3 (5) of the M. B & V. S. Regulation is very clear and comprehensive, and if the purpose of collection of land revenue the majare villages also form part of the Jawagal village - and all together form a unit - it has to be held that the majare village in question forms part of and comes within the jurisdiction of the Village Panchayat in question. In deciding this question finally the wording of the notification Establishing ~~the~~ a village Panchayat for the Jawagal village should also be Examined to see what is the Exact area that was intended to be brought under the authority of the Panchayat; and if according to the terms thereof there is nothing to indicate that the majare village was excluded and if as a matter of fact it forms part of the Jawagal village for purposes of collection of land revenue it is only right that the

entire area - then - the hamlet in question must be deemed to come under the jurisdiction of the Village Panchayet.

This is said to be the case. The Resident considers that the major village should not be excluded & the D.R.s agree with this opinion

It seems that by the very definition of the term 'village' & the fact of the inclusion of the major Municipal within the village of Jaffna for purposes of collection of land revenue the village seems to come under the Municipality & under the Municipality jurisdiction.
